Mr Bernard Beatty Principal

Welcome to the 2016 school year and can I say it has been a most positive and rewarding start, kicking off with a really productive Year 11 parent/student Induction Day on Thursday 28 January. Year 11's have settled in really well as have the Year 12's. It is a very busy term with a number of activities and excursions including Graham Wood cricket, Mursell Shield tennis competition, Scuba Diving, Wagin Woolorama, Autumn Carnival, OLN Reading, Writing and Numeracy as well as a number of excursions and incursions.

Staff

Welcome to the following staff in the Class area - **Leanne Sjollema** - Animal Production Systems, **Tanya de Bijl** - Maths and Animal Production Systems, **Dr Stanley De Zoysa** - Maths and Plant Production Systems. On Farm we welcome **Rod Frantom** to the Butchershop. **Rod** has had extensive experience in agricultural colleges having been the Butcher, Assistant Farm Manager and Farm Manager at WA College of Agriculture - Narrogin. **Laura McCart** has taken up a secondment at the Professional Learning Institute and will be supporting Corporate Service Managers in their roles across the state. **Tanya Glover**, who a number of you will have already met, is taking on the role of Manager Corporate Services.

College Board

We are fortunate to have secured the services of **Mrs Margaret Collins** as our Board Chair. **Margaret** has an extensive background in education having recently resigned from her position in the Education Department as Regional Executive Director with overall responsibility of 256 schools in the South Metropolitan Region. Below is a list of the Board Chair, Principal and Parent representatives that may be contacted for issues relating to the Board.

Chairperson

Mrs Margaret Collins

0417 178 010

Principal

Mr Bernard Beatty

0419 928 926

Parent Representatives:

Mr Norm Jenzen

Year 11

ABC Heywire Competition

Congratulations to **Lawson Butler** and **Travis Fluck**. Recently both these students flew to Canberra to take part in the ABC Heywire Youth Forum as they were regional winners in this writing competition.

Student Achievement

Congratulations to **Zac Baker** (Year 12) who has been selected in the State Clay Target Shooting competition in Wagga Wagga.

Closed Weekend

On Thursday 3 March the College will close for everyone except Year 12 students and parents attending the Year 12 Parent Dinner.

On Thursday afternoon, parents of the Board will be attending an Induction and reviewing the Business Plan. The first Board Meeting is scheduled for the Thursday prior to the Easter long weekend 24 March at 2.00pm. Students will return from the long weekend on Monday 7 March after 4.00pm.

Autumn Carnival - 18 - 20 March

While numbers have yet to be finalised for the Autumn Carnival, most students would have a reasonable idea of what sports they are involved in. If any students intend fishing please bring fishing gear back with them from the long weekend.

Easter Holidays

Please be aware the College will operate a normal school day on the Thursday prior to Easter (24 March) and the College will close at 4.00pm. Students are required to return by 8.30pm Easter Tuesday 29 March. College classes commence at 8.00am Wednesday 30 March.

Mr Stephen Prangnell Design & Technology

A warm welcome is extended to all parents of 2016 students. Students are settling into their routines and we are starting to see some good work.

Major projects will be started soon and a Project Conformation Slip and Commencement Account will be sent out for students starting new projects. Parents need to discuss the selection of projects with their son or daughter. Some projects are quite costly and we prefer parents don't get a surprise.

Staff are available to talk to parents if assistance is required.

Current program and contact staff:

Certificate II in Automotives

Mr Alan Sutton

Mr Ben Elliott

Mr Robert

McManus

Certificate II in Engineering

Mr Keith Thompson

Mr Ben Elliott

Mr Alan Jones

Certificate II in General Construction

Mr Alan Jones

Certificate I in Furnishing

Mr Stephen

Prangnell

Mr Ben Elliott

Workshops Open After Hours

The Design and Technology workshops are regularly open after hours during the week. This gives students the opportunity to utilise the workshops for their personal projects or to get assistance with work. If students are planning to make difficult projects or are having difficulty with their work they need to utilise this resource.

Furnishing

Year 11's are currently completing compulsory exercises and receiving instructions on the correct use of hand tools and machinery. Students are becoming familiar with equipment and are making good progress.

Year 12 students are completing compulsory exercises before continuing with their personal projects from last year.

General Construction

Year 11 and 12 students have been working in the shade developing their bricklaying skills. Once it cools down, work will commence on the large vehicles ramp for Automotives. Then students will be able to put their skills to use.

Engineering

Year 11 students are currently completing competencies related to OHS, quality procedures, planning tasks and working with others in the completion of their first task - a sheet metal toolbox. They will shortly move onto Task 2 which primarily involves the development of oxy welding skills. Future tasks for Year 11 students include the production of a folding shovel and manual metal arc welding procedures.

Year 12 students are in the process of completing a number of arc-welding and GMAW (mig welding) exercises before moving onto their personal projects. Any Year 12 student who has not yet started a personal project will need to decide on a suitable project that can be completed by the end of Term Three. It is important that these projects cover the required competencies and factors such as cost and student ability also need to be taken into consideration. It is therefore very important that the selection of projects is done in consultation with both staff and parents.

Automotives

Year 11 students are developing familiarity with workshop procedures and practising safe jacking using the hoists and safety stands in preparation for vehicle servicing.

Year 12 students are revising workshop practices from last year and are moving onto fuel systems and servicing vehicles.

Surf Camp Change

The Surf Camp is moving to Denmark, continuing issues with accommodation being the prime reason. Our accommodation will be at the WA College of Agriculture - Denmark with surfing taking place at Ocean Beach. This has enabled me to reduce the cost of the camp to \$230.

The camp will cater for beginners and experienced surfers and will run 1-3 April. The Surf clinic will be run by South Coast Surfing Lessons and they will supply all surfing equipment including wet suits, surf boards and staff. If students wish to they may take their own surfboards, wetsuits etc.

Numbers are limited to 24 and there are limited places left. If your son or daughter is interested in learning to surf tell them to come and see me.

Mr Kim Gray Farm Manager

Well here we are half way through the first term of 2016 and a very hot start to the year. During February we reached a maximum temperature of 45.7°C on one particular day. January saw us record 50mm of rainfall but only 4mm for February.

There have been some changes in the Farm staff for 2016 with **Mr Longmire** moving into a Vocational Education, Training and Assessment role to focus on the Cert II and Cert III delivery. This has seen the appointment of **Mr Peter Ledger** to the Assistant Farm Manager's position for a six month period. **Mr Ledger** has had experience as Farm Manager at the Muresk Institute and a long history in Agriculture. The resignation of **Mr Rhys Vandenburg** last year created a vacancy for a Slaughterman/Butcher at the College. We have been very fortunate to pick up **Mr Rod Frantom** for that position. He has considerable experience in this role after working for thirty years at the WA College of Agriculture - Narrogin.

The Year 11 students have been busy doing their Inductions with farm Technical Officers and **Mr Laird** and **Mrs Iles** have been busy at the shearing shed instructing students on the finer points of shearing and wool/sheep handling. **Mr Laird** has already had students out competing at the Pingelly Shears and now getting ready to compete at the Wagin Woolarama.

Juliet Hartzler

**Grace Davey, Elizabeth Vance,
Aimee Tyson & Reece Fisher**

**Danny Halligan
Samantha Faulkner**

Miss Madison Davey has had her challenges so far this year with losing the finisher shed roof during a strong wind event. There has been a long delay in the repair while waiting for materials but contractors are

**Dylan Hart & Quintin Cook
with the new Norrish auger**

now working on the repair as I write this report. The new air conditioning up-grade to the farrowing shed has also been held up while waiting for the new equipment, but work on that shed is due to start next week.

Mr Byrnes has recently weaned the calves from their mothers so there has been quite a lot of noise about the College just recently. We have been fortunate to do an exchange of Bulls within the college system by swapping our Bull (Fernando) with the Bull from Pinjarra High School. Students have had the opportunity to be involved with some pregnancy testing of the cows last week with some students coming down from the classroom to see the process demonstrated by **Mr Byrnes**.

The Cropping section have been busy preparing for the new cropping season with an extra 400 hectares to be cropped, bringing area sown up to 1200 hectares, as well as 260 hectares of pasture to be sown. **Mr Childs** has been making some adjustments to the seeding bar to allow folding the wings up without damaging the seeding hoses and making sure all tynes, points are ready to go for the new season. **Mr Dumbrell** has had students out with him spraying summer weeds very early in the mornings trying to avoid the heat of the day.

Mr Ball has been busy working his way through the long list of jobs that keep coming his way and it has been very pleasing to hear from him at how good the student participation has been and the quality of work performed has been excellent.

The Year 11 students have now completed their induction program and will now get into the normal farm routine on all the different sections. The short courses will be starting in another couple of weeks which will change the farm timetable for those two weeks.

Mrs Tanya Glover Manager Corporate Services

Our Manager Corporate Services **Mrs Laura McCart** has taken on a new role with the Professional Learning Institute in Perth for the next six months and we wish her all the best. In **Laura's** absence **Mrs Tanya Glover** will be Acting Manager Corporate Services.

I would like to welcome everyone to another exciting year at the College.

Welcome back to the Administration Team below we look forward to an enjoyable year:

- **Mrs Christine Fulwood:** School Officer (enrolments, archiving and front office)
- **Mrs Julie Skinner:** School Officer (farm admin assistant, VET/RTO admin)
- **Ms Rebecca Marsh:** School Officer (front office and financial assistant)
- **Mrs Karen Argent:** School Officer (HRMIS, Residential).
- **Mrs Anita Sullivan:** Library Officer (newsletter, website and Agricollegian organiser)
- **Mr Stephen Skinner:** IT Tech for whole of College

To Year 11 parents who are new to the College, I would like to welcome you. I have had meetings with a few of you but am more than happy to answer or meet with you whenever you are at the College.

To Year 12 parents welcome back to the last year of your child's schooling.

Fees

The boarding fees for 2016 are as follows:

1st instalment: \$2,760.00 due by 1st February 2016

2nd instalment: \$2,759.00 due by 26th April 2016

3rd instalment: \$2,759.00 due by 18th July 2016

Total for the year of 2016 being \$8,278.00

Fees are clearly a charge for service and there is an expectation that instalment deadlines be met unless there is a prior arrangement with the Manager Corporate Services.

Please be mindful if you have requested for your AIC payment to be directed straight to the College, that you forward a copy of your Centrelink statement to the College enabling us to make the necessary credit to your account.

If you have not returned your Boarding Away from Home Allowance form or are unsure if you have, could you please contact me or return as soon as possible, this will allow me to deduct a further \$2,105.00 from your account.

Secondary Assistance Scheme forms are available for those parents who hold a health care or pension card. Should you have any queries at all I am more than happy to discuss them with you.

Could you please ensure that you quote your child's Student number when making direct payment to avoid any monies received not being placed against correct student.

Methods of payment

Details for parents wishing to pay fees by electronic banking are as follows:

Name of Account: **Western Australian College of Agriculture – Cunderdin**

Bank: **Bendigo**

BSB Number: **633 000**

Account Number: **155 427 040**

Details of transactions can be faxed to (9635 1334) or emailed to Cunderdin.ac@education.wa.edu.au for reconciliation purposes.

Please use your Childs Student Number as reference.

PAYMENT IN PERSON AT BANK

It is imperative that you use the Student Number as the reference when depositing in to the College account over the counter at a Bank. With this method of payment the only details that appear on the College statement is the name of the branch the transaction has taken place at and the Student Number. If it is necessary for the College to request a voucher trace for the details of the payee, a \$13.50 fee is incurred which is the parents' responsibility to pay. Details of transactions can also to be faxed to (9635 1334) or emailed to Cunderdin.ac@education.wa.edu.au

EFTPOS FACILITY

There is EFTPOS available at the front office for payments. This also allows us to take credit card payments over the phone. Credit Card Authority forms are available from the front office if you wish us to take automatic fees on a frequent basis or to pay in full.

CHEQUES

Cheques can be made out to WA College of Agriculture Cunderdin and posted to PO Box 132 Cunderdin WA 6407.

PAYMENT PLANS

Please contact **Tanya Glover** so that plans can be put in place to finalize your students account before end of year.

Mr Darryl McCart Residential Manager

Year 11 Induction

A new format for Year 11 Induction was trialled this year, which saw students and parents come to the College on Thursday afternoon 28 January and continued into Friday. This was successful as it gave parents the opportunity to stay overnight, especially the families that had to travel long distances.

Trust games with students were held on Friday night and a Pig on the Spit and BBQ on Saturday night. Students also made use of the Cunderdin swimming pool on a couple of occasions over the weekend.

The following Thursday saw all Year 11's head off to Adventure World for the day, where a good time was had by both students and staff. Thank you to the Student Councillors that came in for Induction to help the Year 11's.

Year 12 Return

The Year 12 students returned on Sunday 31 January. We requested that students return between 4-5pm this year so that room inventories could be completed. 95% of the Year 12's did this - thank you.

Monday morning saw the Year 12 group in a meeting at the Rec centre to be handed 2016 guideline books and also a discussion on any changes to the guidelines. After this it was straight into normal routine for the Year 12's. Year 12's are reminded that if they are intending to bring a vehicle to the College they must fill out, sign and get their parents to sign a Vehicle Permission Form before they bring the vehicle to the College. The form will also need to be signed by myself.

Influenza Vaccination

The College is in the process of organising a date for students to be vaccinated for the flu if they require one. ***It is strongly recommended that students attending the North West Tour be vaccinated.*** All information and necessary paperwork will be forwarded to parents when a date is finalised.

Leave Application

A reminder that Leave Applications must be submitted by 8.00pm Wednesday night via the Reach Boarding website. Parents are also reminded that we will not transport students to early trains unless it is for appointments, the end of term or a closed weekend. If you are requesting early leave can you please put an explanation in the notes section of the leave application. This will prevent leave being rejected and then saving parents time by not having to submit new leave.

River Cruise

The Student Council have organised a River Cruise this year for Saturday 30 April. Tickets are \$40.00 each and can be purchased from the ladies in Administration. ***As this event requires all Residential staff who are working to attend, no student can remain at the College whilst it is on.*** The two options are that students either attend the River Cruise, but if they don't want to then they will have to leave the College by 1.00pm on the 30 April and return the next day.

North West Tour

This year has seen a tremendous early response from students and parents. If your child would like to attend and hasn't put their name down, please contact Administration to see if there are any places available.

Residential Activities

Mrs Jane Beatty Class

We welcome three new staff members to our Class area. **Miss Tanya de Bijl**, **Dr Stanley De Zoysa** and **Miss Leanne Sjollema**.

Class Area Staff 2016:

Mrs Jane Beatty – Head of Curriculum

Ms Kristy Hackford – English

Mr Paul Jasper – Plant Production Systems, Physical Education Studies and Sports Co-ordinator

Miss Leanne Sjollema – Animal Production Systems

Dr Stanley De Zoysa – Mathematics and Plant Production Systems

Miss Tanya de Bijl – Mathematics, Plant and Animal Production Systems

Mrs Leanne Childs – Education Assistant

We all look forward to a productive and successful year ahead. Please do not hesitate to contact any of the teachers or myself if you have any questions regarding the Class Area or your child's class work.

Student Success

Congratulations to **Travis Fluck** and **Lawson Butler** who were successful in the ABC Heywire competition. **Travis** and **Lawson** travelled to Canberra to participate in a Youth Summit earlier this term.

Connect

Please make sure that you fill in the paperwork from the College to enable you to access Connect. On Connect you will find information regarding your child's classes and also be able to keep track of their marks.

You will soon receive an automated email in regards to your unique user name and password. The email will be generic in nature and will only be sent once. The email will contain your logon information and your password. Once you have logged on you will be able to change your password. Please make sure you keep a look out for this email as it is only sent once. If you do not receive the email please contact the College.

A gentle reminder to students that they must keep their laptops in the laptop bag at all times and not to put stickers or anything else on their computers as per the signed agreement.

ANNOUNCEMENT

Leadership WA launches the 2016 Signature Leadership Program Government House, Tuesday 23 February 2016

The 2016 Signature Leadership Program participants were presented to Leadership WA's Patron, Her Excellency the Honourable Kerry Sanderson AO, Governor of Western Australia, at an exclusive morning tea function hosted by Her Excellency. Congratulations to **Bernard Beatty**, who attended the event with Geoff Moyle, Director, Agricultural Education, Department of Education.

Leadership WA's premium leadership program, the Signature Leadership Program is for high potential leaders who are already in leadership positions and display a strong commitment to community engagement. Diversity is an important part of the ethos of the program, with program participants coming from all sectors including the corporate, government and not-for-profit sectors.

Speaking at the event, Leadership WA Chair, Michael McNulty said "Leadership WA's mission is to develop leaders who are committed to making a positive difference, as well as to help strengthen a culture in which those leaders can flourish. Our flagship Signature Leadership Program creates responsive, ethical and enlightened leaders who can maximise their influence and impact in the community. As a graduate of the Signature Program, I know both the personal and professional value you will each gain from the exciting and challenging year ahead".

Western Australian Clay Target Carnival & National Carnival Zac Baker

On Saturday the 26th to Monday 28th September 2015 I competed in the Western Australian Clay Target Shooting Carnival. As a result of this carnival, I gained a place in the 2016 Nationals Junior Team to be held at Wagga Wagga in the next holidays.

I placed 2nd out of 8 of the juniors that competed in the carnival and of the 8, only 3 of us will be traveling to Wagga Wagga where the Nationals are being held from the 2nd of April to the 10th of April. I will be competing against the best juniors from each state in all events of double barrel. This event is where I get to use two shots at each target if needed. In the single barrel events I can only use one shot at each target, point score where each target counts for 3 points and hitting it with the second barrel counts for one point, and double rise where you shoot at two targets at one time.

All of these events are shot separately over the week. If I shoot well enough, my scores will be taken and put into a group called the Mackintosh Team where my scores are compared against other competitors around the world.

The College wishes Zac all the best in April.

We have become aware that students can purchase a brand of beer that is less than 0.5% alcohol from the cool drink section of most supermarkets.

We accept that this product, though containing some alcohol is a product that has been approved by Australian Standards to be able to be consumed by the general public however in light of our alcohol policy of no tolerance to any alcohol, students found in possession of these products will be treated as per the alcohol policy.

Can you please counsel your son or daughter not to bring these products back to the College as it will evoke a consequence.

Sport Report - Mr Paul Jasper

Welcome back parents and students to what will be a hectic year of sporting events for the College. Term One has many different sporting activities throughout it and therefore a massive amount of paperwork to follow. So far this term we have participated in the Mursell Tennis Shield, Graeme Wood Shield, Men's Local Basketball with SCUBA diving course underway for the Physical Education class and the all-important Autumn Carnival on the 18th - 20th March this term.

We have had some fantastic results so far this year and they are as follows:

Mursell Shield tennis

We sent three boys teams and one girls team into the local tennis club to play against Merredin College, Northam SHS and York DHS. The College set up a ranking system with all players able to challenge for number one spot on the rankings list.

Zak Baker, Cody Eva, Jayden Fanning and **James Steel** won the boys competition for the day. **Aimee Tyson, Acacia Shannon, Vanessa Davis** and **Grace Davey** also won their division. These two teams now head to Perth on the 1st of April to compete in the country regional finals. **Mrs Sullivan, Mr Elliott, Mr Thompson** and **Mr Jasper** witnessed our fantastic tennis display. Big thanks to **Mrs Sullivan** for all your work.

Graeme Wood Shield

This year we have 21 players in the cricket squad. **Mr Beatty** and **Mr Gray** have been training the boys on the synthetic turf with our new bowling machine since the beginning of term. From what I understand there have been no injuries to date...

On Wednesday the 24th of February **Mr Elliott** took the team to Perth to play against Eastern Hills SHS. This week we play Northam SHS and will hopefully perform slightly better than the previous week.

Results of last week's games as follows:

Batting Figures: **James Steel** highest scored with 52 runs with **Cody Eva** named Captain and a solid 27 runs.

Bowling Figures: **Jordan Kelly** had 2 for 1 and **Jordan Osboine** 2 for 27

Autumn Carnival

The planning is well underway for this massive event. **Mr Hooper** and **Mr Jasper** are currently sorting out teams and a massive contingent of staff have committed to giving up their weekend to support the event and we thank them. Last year we took 50 odd students to Harvey for the weekend and we will look to take a similar number. Sports include everything from indoor cricket to fishing. This event, like all school sports, is mostly about participation however I'm sure there will be some healthy rivalry and banter over the weekend.

Till next issue, all the best.

What's coming up?

Thursday	3 March	CLOSED WEEKEND College closes 4.00pm Year 12 Parent Dinner
