

NOMINATION FORM
WA College of Agriculture – Cunderdin

The **P & C** is a great way for parents to be involved in their child's school including College events and social activities. It assists in establishing and maintaining good connections between parents and the College and is also a great way for parents to connect with other parents in the College Community.

The **College Board** is the main policy forming group for the College. The group consists of parents, community and industry representatives, three staff members, the Principal, Manager of Corporate Services and a member from the Agricultural Advisory Committee. Elections will take place in the first week of the school year. Generally, College Board meetings take place during school time prior to the end of term.

We encourage parents to consider nominating for these committees by indicating your interest below and to fill in the contact details at the bottom of this form.
